REQUIREMENTS

Each participant in the event is required to get acquainted with the information package that will receive during the sign-up on the track. The equipment of the pilots and the vehicles should also meet the technical requirements for running on the track:

- 1. The use of helmet and safety belt when leaving the track is mandatory.**
- 2. The use of alcohol by pilots is completely prohibited.**
- 3. All participants must follow the instructions of the marshals on the track.**
- 4. All cars must have a working breaking system.**
- 5. All cars must have functioning light signals.**
- 6. All cars must have safety belts for all passengers.**
- 7. All cars must have reinforced battery and plus terminal.**
- 8. Vehicles with leaks or other prominent malfunctions will not be allowed on the road until they are removed.**

TIRES CHANGING TEAM

Throughout the event, for all participants, there will be a team for tire fitting and dismantling, as well as for purchase and delivery of tires tailored for your needs. If you would like to receive an offer and make a request, you can directly contact the following e-mail: info@tsitsiklis.gr

Vassilis Tsitsiklis (Will)

+30 6978558076 | <http://www.tsitsiklis.gr/>

INSTRUCTORS

Our **professional instructors** will be at your disposal to improve your skills. If you want to book an individual session, contact us in advance.

RENTAL HELMETS

Anyone who doesn't own a personal helmet can rent one from the reception of the track. **The rent price is 15 EUR per day**
